

Preface

We would like to express our sincere thanks to our very good friend Professor Paulo J. S. G. Ferreira for his excellent service as one of the editors-in-chief of our journal. We do appreciate his very heavy schedule, and we are fortunate that he will continue as an editor as he has been serving our journal in this capacity starting with the first volume.

At this time we are fortunate and do welcome professor Thierry Blu for joining the editors-in-chief of our journal.
